Quote of the Week

A dream doesn't become reality through magic, it takes sweat, determination and hard work

Colin Powell

A wonderful event took place at Worcester Cathedral this week with our annual Pyramid Oscars celebrating the hard work and attendance of students at SHS and in all our feeder primary schools. It was great to see over 800 parents/carers, staff and students in the Cathedral for this prestigious event in the school calendar. All award winners received commemorative coins in recognition of the Queen's 90th birthday. As always, students were a credit to each of their respective schools. Several musicians from SHS performed to an exceptionally high standard which sounded superb in the Cathedral setting. During the ceremony I was honoured to be this year's guest speaker and shared the successes of many of our recent Year 13 leavers, all of whom received a fantastic foundation at our primary schools.

On Thursday 23 June the whole school took part in our own Mock EU Referendum with voting taking place throughout the day. As a Discovering Democracy Award winner this type of activity is now second nature to our students, with students and staff involved in the topical debates surrounding Europe. The final result in school showed that students voted to remain in the EU. Thank you to Mr Parry for coordinating the event.

From us all at SHS we wish you a great weekend.

Mr C King - Principal

New beginnings for the UK

All students were invited to take part in the school's Mock EU Referendum yesterday.

Matt Amatt 9EH and Joseph Ferguson 9SC can be seen below making their choices.

Year Group	Remain	Leave
7	63	53
8	43	60
9	48	37
10	47	19
12	39	12
Total	240 = 57%	181 = 43%

The results table clearly shows that SHS has voted to remain in the EU, however the official result is to leave with 52% of the UK voting to move away from our 43 year EU membership.

National School Sports Week

Years 8 and 9 students spent Monday afternoon teaching local primary school pupils a selection of activities as part of the Worcestershire Schools Health and Wellbeing Programme "Change4Life".

We have been invited to repeat this activity at the Worcestershire Summer School Games on Tuesday 5 July at Bromsgrove School.

Budding star

Last week, visitors to the Rose Theatre in Kidderminster enjoyed Stourport student Josh Haywood's performance in the "Little Shop of Horrors". Josh played Seymour Krelbourne, the downtrodden orphan working at Mushnik's Skid Row Florist, who discovers a new plant species which he names Audrey II, after the co-worker he is secretly in love with. By nurturing the plant, Seymour teaches Audrey II to talk and sing.

Recycling for Leukaemia Care

The Humanities Faculty are organising a recycling competition to raise £££ for Leukaemia Care. You may enter by bringing in your empty ink cartridges and old mobile phones to **Mr Davis in Room 46**. Remember to label them with your name, form and college so that the correct points can be added. **The competition will run from 27 June to 8 July.**

Good luck everybody!
